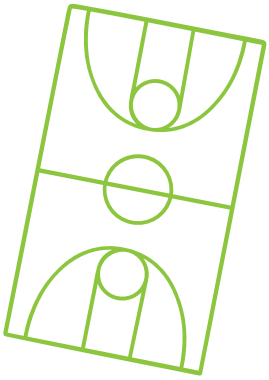
ÉDUCATOURS by WorldStrides

International Basketball Tours

From Greece to Italy or Spain, Éducatours by WorldStrides will take you there. Wherever you want to go, whatever style of play you want to experience, we navigate the entire landscape of the trip so you can focus on what you do best—preparing your team for a unique experience of a lifetime.

What we bring *to the court*



- Our vast network of contacts enables us to put together the best matches, top training sessions, and access to professional games and facilities unavailable through our competitors.
- We align your team with opponents who put your team's skills to the test and raise the profile of your entire basketball organization.
- We curate your time off the court including sightseeing or volunteering activities.
- We provide a holistic development environment for young athletes, on and off the court.
